Maier to be part of the CEN

26/04/2010

Maier will be participating on the standardisation committees together with other leading firms and with Aenor. The UNE 166000 series of Spanish standards concerning R+D+I will be one of the references for the future European documents. At the next CEN/TC 389 meeting, due to be held in Brussels on June 8, the definitive go-ahead is expected to be given for drawing up the future European standards on innovation management.
