Winners of the III Maier Design Competition

30/07/2009

[b]Jean Pierre Ploue[/b] - Director of Styling for PSA Peugeot Citroën Group [b]Jean Paul Bauchel[/b] - Quality and Design Development Director at Renault [b]Francisco Podadera[/b] - Podadera Design [b]Izaskun Artetxe[/b] - Deputy for Innovation and Economic Promotion at the Regional Government of Biscay [b]José María Aldekoa[/b] - Chairman of the General Council of Mondragon [b]Juan Luis Irazabal[/b] - General Director at Maier S.Coop The first prize was awarded to [b]Kyung-Sung Son[/b], with the project "Pull, Slide & Swing", and the second prize to [b]Enrique Miñarro[/b] with "Plug-in door panel". The 10th of July the awards ceremony was held at the IAC (Automotive Intelligence Centre), not far from our facilities in Gernika. If you'd like to see the selected projects and the winners click [url= http://www.maierdesign.es/en/finalistas.php][b]here. [/b][/url] If you'd like to see the pictures of the awards ceremony click [url= http://s1004.photobucket.com/albums/af168/maierinnovation/III Maier%20Design%20Competition%20-%20Awards%20Ceremony/?albumview=slideshow][b]here. [/b][/url] During September a new forum will be launched in order to discuss about the ideas presented in the competition, so that you can tell us who you would have given the prize to. Your opinion counts!
